93. HIGH PRICES COMMITTEE.

S Baker certifying that the Council had adopted the following motion, viz:-

"That whereas the excessively high prices for all essential articles of food and clothing are burdens upon the people, and it is generally understood that the Provincial and Dominion Governments have conferred certain powers upon the Municipal Councils to deal with this question,

Be it resolved that a Special Committee consisting of Aldermen Cunningham, Moorhead, J.C.Wilson, M.D. the Mayor and the mover be appointed to consider and report upon the question of high prices for essentials of life, and submit recommendations with respect thereto at the Council for consideration."

The matter is informally discussed.

Alderman Moorhead moves, and it is adopted, that owing to the continued high cost of living, the Committee appointed by the City Council to inquire into methods for a reduction in prices in the necessaries of life, find that as the Government of the Dominion has had this matter under consideration, it would be unwise to interfere further than to recommend that the Dominion Government continue to deal with this question until such time as satisfactory prices to all consumers may prevail, and that in the meantime that every effort be made by Business men to meet the situation."

Upon motion the Committee adjourned.
